

Lúidíní (Little Toes)

From 3 months to toddler age

The baby room provides a home from home environment for your baby, the staff have all the relevant childcare and first aid certificates. The aim is to encourage feelings of safety, trust and emotional security to the your baby. The ratio is one adult to three babies, to ensure that your child is at all times cared for and looked after .

Daily records are filled out and discussed with parents at the end of the day, we try to follow the routine you have in place at home. Only suitable and age appropriate toys and equipment are used.

Your baby will be introduced to our early infant activities, which allow for stimulating and sensory experiences, touch, taste, sight, smell and sounds, this is all appropriate to the babies stage of development.

Other activities are stretching, music, relaxation, singing, peek a boo, ect.....

Parents of babies must provide all nappies, wet wipes and creams and bottles already made up. Each baby has its own cot and cubby hole. Our purpose build baby room is an inviting room with a lovely calm atmosphere for your baby.
