

Here at Croí na nÓg we would like to welcome you to a world where children are encouraged to be open, to learn & grow in a warm, caring and stimulating environment, an environment that nurtures the uniqueness of each child, respecting their rights and values, encouraging and developing their self-esteem and honouring diversity of background.

With over ten years experience in childcare, the management and staff continually strive to ensure that there is a homely, secure and above all fun environment in which the children in our care can flourish.

We are registered with the appropriate regulatory bodies and comply with the statutory regulations and requirements. We are Health Service Executive (H.S.E.) registered and adhere to the latest preschool regulations. We have full Garda clearance and are fully insured with qualified and experienced staff.

Although this site is designed to give parents a small insight into our service, we feel that it is only through personal contact that you will get to truly understand and appreciate the service we provide. As such, no matter what your query or question, please feel free to contact us either through the link provided or simply by ringing us on; 091 793011
