

Immunisation Policy

When a child is enrolled in our service, the immunisation section of the registration form should be completed.

Parents have the right to choose to Immunise their child or not.

Not all children attending our service may be immunised

- ❖ In the event of an outbreak of any infectious disease, all parents will be verbally informed. A dated notice informing all parents of any infectious disease outbreak will be displayed on a notice board. (see Health Policy).
- ❖ Notifiable Infectious Diseases: Parents are asked to notify the Childcare Service, if their child has been exposed to a Notifiable Infectious Disease.
- ❖ Public Health Doctors are responsible for the prevention and control of Notifiable Infectious Diseases.
- ❖ On being notified of a Notifiable Infectious Diseases, Community Services will be contacted at 091-523122 for advice, information and support.
- ❖ Non-Immunised Children: In the case of children not immunized, the parents will be asked to seek advice, information and support from Community Services.

Adopted at a meeting of Corrandulla Community Resource Centre Ltd. / Board of Directors
